Next Parish Council Meeting:

Monday 11th Nov 2026 @ 6.30pm

Autumn 2026

Keep up to date on the latest Parish news, events, community elements and local projects & plans that may affect the Parish.

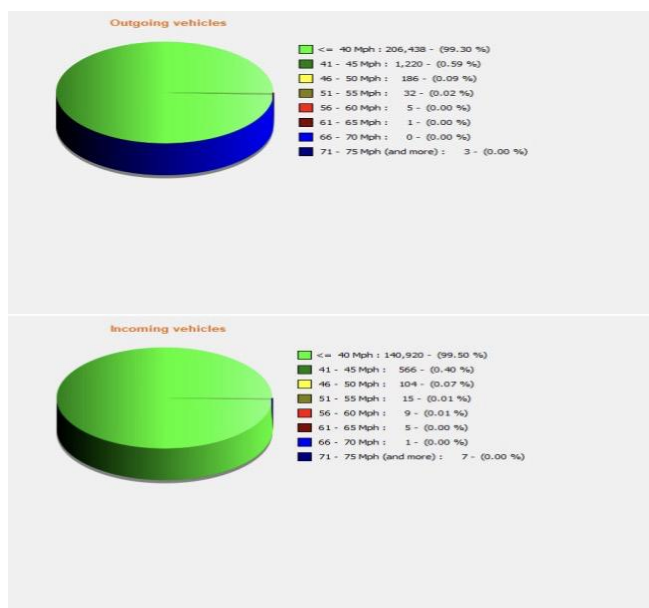

Speed Data

Below is the most recent data from the speed indicator located at the bridge on Willingham Road, showing the speeds of incoming and outgoing vehicles.

We will continue to monitor the data over the coming months.

Unfortunately, the other village speed indicator is not currently working and is therefore unable to provide data. We are trying to get this fixed as soon as possible.

Bridge Indicator

Solar Projects

Unfortunately, we have no further updates at this time. As soon as there is any new information, we will share it on the Parish Council Website.

Knaith Neighbourhood Plan – Have Your Say

The Parish Council is exploring the possibility of developing a Neighbourhood Plan for Knaith, and we would love to hear your views.

We are holding a friendly community event where parishioners can find out more, share their ideas and have their say on the future of our village.

What do you like about Knaith? What would you like to see improved? What should we protect, and what would you like to see for the future of our parish?

Thursday 29 October 2026

6.30pm–8.30pm

Knaith Village Hall

Everyone is welcome. Come along, share your views and help us understand what matters to our community as we explore the possibility of developing a Neighbourhood Plan.

Invitation to Parish Council Meetings

The Parish Council invites you to attend our meetings. We meet bi-monthly, on the second Monday of the month.

The meetings are, of course, open to all parishioners. There is an opportunity to ask questions, raise ideas or discuss any issues or observations regarding the parish.

There is always a 15-minute public discussion at the start of the meeting, where parishioners can raise and discuss any issues. We warmly invite you to attend on the following dates:

9 November 2026

11 January 2027

8 March 2027

Parish Defibrillator Location

The defibrillator is situated at Knaith Village Hall on the wall by the front door. There is also now a defibrillator sign on the village hall fence to notify people of its location.

Village Hall Events.

Groups running at Knaith Village Hall are:

Sewing Club on Tuesdays from 7pm to 9pm.

Whist on Thursdays from 2pm to 4pm.

Please pop along if you are interested in joining in and meeting new people.

Quiz night will be on **Saturday 17th October**, with a **7pm start**. If you would like to book a table, please ring Will on [01427 612217](tel:01427612217).

Historical club

If you're interested in finding out more about the history of our local area and would like to join a friendly historical club, please get in touch with Rebecca at The Stag's Head, Knaith Park.

It would be lovely to get a few local people together to share stories, learn more about our area and discover some of its history.

Christmas Lunch for Those on Their Own 🎄

The Stag's Head is hoping to bring a little extra Christmas cheer to the community this year by hosting a special Christmas lunch, offering support and companionship to those who may otherwise be on their own on Christmas Day.

If you would like to join them for lunch, or if you would like to volunteer and help make the day special, please contact The Stags Head directly.

Village Hall Coffee Mornings

The Village Hall coffee mornings are back on the following dates:

17 November
15 December
19 January
16 February
16 March

Pop in for a cup of tea or coffee and a chat. It's a lovely community social event, running from **10am–12pm**.

St Mary's Church

Service of Holy Communion
18 October 2026, 11am–12 noon

St Mary's Church, Knaith
Within the grounds of Knaith Hall, Gainsborough Road, Knaith, DN21 5PE.

Parking around the village

Please could we remind people to be considerate when parking around the village and not to park in a way that obstructs pedestrians and wheelchair users whilst they are trying to use the pavement.

There have been a few occasions where pedestrians have had to walk on the road around parked cars that have been left blocking paths.

Please also do not park in a way that could obstruct emergency vehicles from passing.

Any obstructive parking can be reported on **FixMyStreet**

Fix My Street

Please use this website to report local problems like potholes, street lighting, flooding, signage issues, dog fouling etc.

Play Park Consultation

The Parish Council is looking into the possibility of providing a play park in the village. This is still at an early stage of discussion, and we would really appreciate your views.

Attached is a questionnaire which we would be grateful if you could complete and return to 9 Station Road, Knaith Park.

The questionnaire will help us gain a wider understanding of the views and opinions of people across the village and whether there is support for a play park.

We feel that a play park could be a wonderful addition to the village, providing a safe and enjoyable place for local children to play, have fun and spend time together.

If you could please return your completed questionnaire to the address listed by the **30th October**, this will allow us to consider the responses in preparation for the next Parish Council meeting on the 9th of November.
